

Best Star-Rated Blood Glucose Meters

These monitors have been clinically validated in a general population.

Medaval certification is awarded only to devices with the most accurate measurement technology. For accreditation, proof of validation and adherence to international standards is scrutinised by Medaval with independent peer-review.

Warning: Blood glucose meter accuracy requires strict adherence to manufacturer instructions. If the procedure is not followed correctly, the results can be very inaccurate.

★★★ 3-Star Blood Glucose Meters ★★★

Abbott FreeStyle Freedom Lite	i-Sens CareSens H Beat
Abbott FreeStyle InsuLinx	i-Sens CareSens PRO
Abbott FreeStyle Optium Neo	LifeScan OneTouch Select Plus
