

# Ultra Slim Wrist Watch Blood Pressure Monitor

Ultra Slim

## Specifications

KP-7020

|                                    |                                                                   |
|------------------------------------|-------------------------------------------------------------------|
| Measuring Range                    | Pressure: 20~300 mmHg<br>Pulse Rate: 40~200 pulse/min             |
| Accuracy                           | Pressure: $\pm 3$ mmHg<br>Pulse Rate: $\pm 5\%$ of reading        |
| Measuring Method                   | Oscillometric method                                              |
| Inflation Method                   | Electrical rolling pump                                           |
| Deflation Method                   | Mechanical release valve                                          |
| Rapid Exhaust                      | Electrical solenoid valve                                         |
| Display                            | Digital liquid crystal display on blood pressure monitor          |
| Memory-BPM                         | 2x20                                                              |
| Memory-Mobile devices              | Based on memory size of Mobile devices                            |
| Operation Condition                | 5 ~ 40 °C (41 ~ 104°F), 15 ~ 90 % RH                              |
| Transportation / Storage condition | -20 ~ 55 °C (-4 ~ 131°F), < 93 % RH                               |
| Power Source                       | Li-Battery 450mAh<br>DC 5V Adaptor with micro USB plug (Optional) |
| Battery Life                       | Around 100 measurements                                           |
| Power Saving                       | Auto-off after 150 sec non-operation                              |
| Size                               | 72x53.64x13.58 mm                                                 |
| Weight                             | Approx. 82 g including batteries                                  |
| Cuff Range                         | 13.5 ~ 22 cm                                                      |

CE 0197

## Characteristic:

W.H.O.  
Indication

iPD

Colored  
Backlight

Multi-  
User

Jumbo  
DISPLAY

Low Battery  
Indication

## Optional:

Multi OS  
Supported

Android  
iOS

Talking

Data  
Measurement

Graphic  
Analysis

Near Field  
Communication

NFC

BlueTooth

Bluetooth  
SMART

1. Read memory back to portable device
2. Write in Settings to monitor
3. Real time measurement
